Bob Turner, W6RHK
Orange Section Emergency Coordinator

Bob Turner, W6RHK is the Section Emergency Coordinator for the Orange Section of Amateur Radio Emergency Services (ARES) coordinating services in Orange, Riverside, San Bernardino, and Inyo counties. He first served as a local Emergency Coordinator and then went on to become the District Emergency Coordinator overseeing activities within Riverside County.

As part-time faculty with Moreno Valley College in the Public Safety Education and Training department he has taught Introduction to Homeland Security; Preparedness for Emergencies, Disasters and Homeland Security Incidents; and Recovery in Emergencies, Disasters and Homeland Security Incidents. As one of the Subject Matter Experts, Bob helped write the curriculum for all six Homeland Security courses that Moreno Valley College offered in Homeland Security.

He earned a B.S. Degree from Rochester Institute of Technology with concentrations in Disaster and Emergency Management and Technical Communications. He is a certified Emergency Management Specialist through the National Association of Safety Professionals; and from the American Board for Certification in Homeland Security he is a Certified National Treat Analyst, a Certified Intelligence Analyst, and holds a level IV certification in Homeland Security.

He serves as a Terrorism Liaison Officer for the Joint Regional Intelligence Center and is a member of the Los Angeles section of Infragard which is a partnership with the public and private sectors and the FBI for critical infrastructure protection. With Infragard he is involved in the Electromagnetic Pulse and Government Facilities Special Interest Groups. He is a member of the International Association of Emergency Managers, the Association of Public Safety Communications Officials, and the Southern California Earthquake Alliance.

His regular job is as the Director of Risk Management for the Alvord Unified School District.
